## St. John Vianney Parish

Goodyear, Arizona

**My dear friends in Christ,**

Very often visitors and new parishioners tell me how amazed they are by the real sense of community they experience at **St. John Vianney Parish**. They use words like “**welcome**”, “**fit right in**”, “**family**” (*just as they describe the new pastor as “windy”, “puts you to sleep”*). That sense of family and belonging is a hallmark of this wonderful Catholic parish. Since our founding in 1956 many thousands of families have come to know Jesus and love Him more deeply right here. Beginning in 1981 religious priests, brothers and seminarians of the Congregation of Holy Cross have served here, always holding up our devotion to the **Holy Family of Jesus, Mary, and Joseph**.

Today, as Avondale and Goodyear approach a combined population of 250,000 it's hard to believe that at SJV's beginning this was a rural and small corner of the Church. I love to hear stories about those early years and see pictures of the weddings and Masses in the original church building, what today we call Grand Hall. It's amazing to consider all that has been and has happened here over the past seven decades. And it all continues! Please share the Good News and invite your family, friends, coworkers and neighbors to join us. **Jesus' offer of salvation is available to all!**

St. John Vianney Parish is a big, active, diverse, joyful and committed family of believers in the Good News of Jesus - whether in your family's fourth generation here or fourth weekend attending Mass. This small report aims to share an overview of the parish's ministry and evangelization over the past year. Like any family, we also have to pay the bills and be good stewards of our financial resources. God has blessed us abundantly, especially through your gifts of faith, hope, and love.

Our SJV Finance Council and I believe very much in transparency and clarity. If you have any questions about what you read here, please feel free to stop by the Parish Office or give us a call. I pray every day for the family of St. John Vianney Parish - and we know that ***the family that prays together, stays together!***

### NOTES

1. SJV receives significant income from parents participating in the ESA (Empowerment Scholarship Account) state program and various STO's (School Tuition Organizations). **The most important source is CEA (Catholic Education Arizona) which receives individual and corporate tax credits** from parishioners and friends of St. John Vianney.
2. By far our largest and most important expense is for our human resources, the wonderful parish staff and the school's faculty, staff and administration.
3. The significant administration expense in 2022 was due to the purchase of new technology for the school. These were paid for by federally designated funds for school technology.
4. We do not include depreciation in this report.
5. The 2022 deficit was paid by savings and the 2023 surplus placed in the parish savings fund. This savings fund (seen below in the statement of financial position) operates effectively as a "rainy day fund" and the seeds of future projects and initiatives.

7. Most of the parish's assets are the property, buildings and furnishings. These are valued at historical costs.
8. Together Let Us Go Forward is a Diocesan campaign and this amount is what we as a parish have received from the Diocese in order to complete designated projects in our parish.
9. Our Net Assets that are restricted have been designated by donors for specific projects and uses within the overall Mission of the Parish. Essentially, we "owe" this to be spent as the donors instructed us.
